

UNDER THE BIG TOP ...

Winning at the International Special Events Society (ISES) Buffet Blowout Competition on Thursday, April 23, 2009 was our third win in 3 years!

Bright Ideas Events won the **“Best Design Award”** which was awarded by celebrity judges. The annual event is a Buffet Style Competition where Vancouver’s top caterers team up with design companies to create a visual, tasting experience for the guests.

The event occurred at Can Am Importique in Burnaby. The overall theme of the evening was *“We all play in the same Sandbox”*. Bright Ideas was paired with Culinary Capers Catering to represent a Carnival theme. One competitor created a Beach Theme and the other a Playground Theme.

Our approach each year to the Buffet Blowout is to showcase our creative talent in a fresh, innovative way that weaves the theme throughout our display. And this year tops them all!!!

Since our theme was Carnival, we decided to create a “Big Top Carnival” experience complete with silk draped ceiling, live animals (sort of), Half Man/Half Woman, Spin Art, Tattoos and lots of sweet treats like Mini Cotton Candy Puffs, Savory Popcorn and Cheesecake on a Tight Rope. The highlight of the evening was the gorgeous caged Leopard who entertained the crowd while handing out take home gifts.
